Ooh, baby I know loving you ain't easy
It sure is worth a try

Ooh, if there is a reason to call me a fool
Cause I love too hard
Are there any rules baby
This is the last time
And baby teach me to behave
Just tell me what I gotta do
Just to stay right next to you

Oh, I can't help it I'm just selfish
There's no way that I could share you
That would break my heart to pieces
Honestly the truth is

If I could just die in your arms
I wouldn't mind
Cause everytime you touch me
I just die in your arms
Oooh, it feels so right
So baby baby please don't stop girl

If I could just die in your arms
Imma make you believe girl
That I wouldn't mind
Don't stop baby no
It's what you do to me yeah
Wooh, no oh
Baby please don't go girl
Don't go, no no no
